The mod began as an update to our mod, but was initially delayed due to personal matters.. The new items will be found in the  
'CWSS' category under 'Furniture' in the workshop menu.. - If you previously used the Custom Camera version of this mod, it is  
now a configurable option in the holotape menu.. Immersive buffs that taper over time, including Survival mode buffs All  
furniture items have a 'player only' option for privacy in your player homes.

V2 1 - fixed a glitch where the 'chemical shower bathtubs' were ejecting actors as soon as the shower animations started  
playing.. This means they will be used most frequently in the mornings and evenings, and less frequently during the settlers'  
productive working hours.. They will randomly hum a tune and maybe even do a little dancing in the shower Actors will also  
temporarily look a little more friendly after using the showers and toilets.. You will always get your PipBoy back after leaving a  
shower, bath or toilet The showers, baths, toilets, sinks etc in CWSS Redux will be used by sandboxing settlers, followers,  
caravan guards and traders as part of their default packages during their leisure time.. Some furniture items can be customized  
'craft'n'snap' style Features many different idles, custom models, sounds and visual FX. d70b09c2d4
